

SKIING for People with Physical Disabilities!

Everyone can ski! . . .

In the adaptive skiing program specially made for people with physical disabilities. If you enjoy outdoor winter sports and you need physical support, come join us at Perfect North Slopes for the 2009/2010 season!

“It was so awesome to go down the hill and be in control of the ski myself! I can’t wait to go again!”

Timmy’s mom said, “He didn’t want to stop! I liked it too because the instructors were very attentive, and they created a thrilling AND safe experience for my son who has Cerebral Palsy.”
