

# Hamilton County Educational Service Center Service Solution Rates 2018-2019

Solving your challenges. Simplifying your life.

## **We are here to make your life easier.**

We help you solve challenges you can't overcome alone. We help you meet your mission with a quality solution for any situation, whether it is in the area of education, business – or whatever else you need.

In the area of education, we offer a tremendous array of quality services and programs through an exceptional staff of 500+ experienced and talented people. To meet the changing needs in the preK-12 school community, we design programs and offer services and support in the areas of curriculum, standards, leadership, assessment, data analysis, instruction, professional development, educational technology ... and so much more! Our staff includes 300+ field experts who provide direct service in Special Education. We always look for opportunities to bring educators together, to find joint solutions that are customized, innovative, efficient, and effective.

Our expertise extends well beyond education. Our ever-expanding business-related services include graphic design and digital printing, technology personnel support, and a unified purchasing cooperative. We are agile and fast to respond to our rapidly changing context. We ensure organizational sustainability and viability – for various types of organizations – through cost saving breakthroughs, value generating innovations, and the development of new business models. Whatever you need, we are here to help.

We have been helping a variety of community service organizations succeed for nearly a century. Let us know how we can help make your life a little easier.
